

Jimny
SINCE
1970

It's hard to know what you're born to do – to find that one thing that makes you feel completely free. Doing it makes you feel so great that time disappears. You feel you have purpose. You are born for it.

**THAT'S WHAT DRIVING
THE NEW JIMNY
FEELS LIKE.**

THE HERITAGE OF THREE GENERATIONS

The satisfaction of driving a Jimny is nothing new. It has been in our DNA for 50 years. Each generation of the Jimny has added to this legacy. When it comes to 4x4ing, the Jimny proves #GeneticsMatter. As for off-road performance and unique abilities, the Jimny is born for it.

#GENETICSMATTER

LJ10

The first-generation Jimny was born in 1970. It was a three seater and the only mini car in the off-road vehicle segment. Its simple round headlamps and independent indicators have made a comeback in the Jimny.

SJ30

The second-generation Jimny was made for the global audience and came in bright red and yellow variations. Known for its stylish design, it was well received by both men and women.

JB33

The third-generation Jimny came with smooth aerodynamic lines, more comfort and a longer wheelbase for greater stability and manoeuvrability. It's been popular for two decades and counting.

Purpose in the making

Like its predecessors, the Jimny remains a small, lightweight 4WD vehicle.

Its unique dimensions mean the Jimny can manoeuvre where larger vehicles don't dare to go. Its light weight keeps it going strong over mud, through sand, and up steep slippery slopes where heavier vehicles tend to get stuck.

FIND
A DEALER NEAR YOU

Practical on the outside

The Jimny's body is built for off-road functionality in every detail. From the tough square form to the colour variations, there is no compromise inside or out.

PRACTICAL DRIP RAIL

The drip rail will keep you dry when entering and exiting by helping to prevent water from dripping off the roof.

BONNET CORNERS

The flat square bonnet is designed to keep front corners in view for better situational awareness when navigating uneven terrain.

OPTIMISED BUMPERS

Angled bumper edges increase clearance at the wheels for climbing over obstacles. The moulded black material protects the body from rocks and scratches.

LED HEADLAMPS WITH WASHERS

These iconic round headlamps show off the Jimny's heritage. Washers are standard for the LED headlamps on the GLX model, so you can keep going through dust & mud.

FUNCTIONAL ON THE INSIDE

Designed for quick operation, even in harsh conditions, there is little to distract you inside the Jimny. Materials are durable and easy to clean.

DOWN-TO-EARTH DESIGN

Simple, straightforward and sensible – sounds familiar? Colours are minimal and every detail is crafted to support serious off-roading.

ILLUMINATED METER CLUSTER

The meters are always illuminated for clear viewing whether the sun or the moon is shining.

STEERING SYSTEM

The ball-screw steering system provides sufficient feedback yet minimises kickback, so that you can stay in touch with the terrain. The new Jimny also comes with a steering damper for improved on-road performance.

7" TOUCHSCREEN RADIO WITH SMARTPHONE INTEGRATION

The Jimny GLX model comes with a 7-inch infrared touchscreen, voice command and an SD card slot. It works with various smartphone applications like Apple CarPlay, Android Auto and Mirrorlink.

BLUETOOTH®-COMPATIBLE AUDIO SYSTEM FOR WIRELESS CONNECTIVITY*

The audio system is equipped with an AM/FM radio, USB socket, CD Player and Bluetooth® connectivity.

*Bluetooth is a registered trademark of Bluetooth SIG, Inc.

READY FOR ANYTHING

PRACTICAL REAR STORAGE

Expand your rear storage area by folding the back seats. Flat across, the expanded space allows crosswise storage of wide items. Screw holes provide support for optional accessories like luggage bars and utility hooks. The GLX model comes with a rear power socket letting you power appliances and tools in the back. Cleaning is easy as the floor and seatbacks are covered in resin. Another great feature of the GLX is the versatile luggage area box for convenient storage in the back.

HANDY FRONT SEAT STORAGE

Convenient pockets and trays keep your smartphone and gadgets within reach. USB Accessory sockets are close by to connect and power your devices. A large, easy to grip handle provides solid support for the front passenger when entering the vehicle.

Off-road performance

THE JIMNY IS BUILT ON **FOUR KEY FEATURES** THAT DEFINE
SERIOUS OFF-ROADING

ALLGRIP
PRO

RIGID LADDER FRAME CHASSIS

From the very first generation, the Jimny has always featured a ladder frame chassis that offers a solid foundation for serious off-road performance.

3-LINK RIGID AXLE SUSPENSION WITH COIL SPRING

The Jimny has full-width rigid axles in the front and rear to ensure superior grip on diverse surfaces. When an obstacle pushes one wheel up, the axle presses the other wheel down to increase tyre contact in rough road conditions.

AMPLE BODY ANGLES AND CLEARANCE

The Jimny can climb over almost all obstacles and steep hills without scraping its bumpers or underbody, thanks to an ample approach angle, ramp breakover angle, departure angle, as well as plenty of ground clearance.

4WD WITH LOW RANGE TRANSFER GEAR

Part-time 4WD allows switching between 4WD, for optimal off-road performance, and 2WD for better fuel economy and cornering on paved roads. The 4WD low range transfer gear provides extra torque in the 4L mode for rough terrain.

POWERED BY PURPOSE

NEW 1.5L ENGINE

The new 1.5l engine generates strong torque over a wide rpm range for powerful off-road performance. Small and lightweight, it also delivers high fuel efficiency.

BRAKE LSD TRACTION CONTROL

If two wheels diagonal from each other lose grip while you're travelling over slippery surfaces, this feature is designed to automatically brake the slipping wheels and redistribute torque to the other two wheels.

HILL DESCENT CONTROL

Automatically apply the brakes with the push of a button to maintain a fixed descent speed while you concentrate on steering without using the brake pedal or clutch.

Performance

Safety

STEADY ON

The Jimny comes with a range of protective advances to keep you safe out in the wild or in the city.

HILL HOLD CONTROL

This feature helps prevent backward rolling even on bumpy and uneven hills, so you can focus on controlling the vehicle's acceleration.

ESP

The Electronic Stability Programme detects and automatically adjusts wheel slippage to help the driver stay in control.

The Jimny also comes with ABS with EBD, ISOFIX attachment points for child safety seats, side impact door beams, and dual airbags.

MAJOR SPECIFICATIONS

Number of doors	3-door
Engine	Petrol, 1.5ℓ VVT
Drive system	Allgrip Pro

DIMENSIONS

Overall length	Front bumper to rear bumper (mm)	3 480

Part No. 99152-77R10-000

14 | Tie down belt
Part No. 99000-99096-51R

15 | Luggage net
Only in conjunction with utility colouring hook.
Part No. 99152-78R00-000

16 | Rear quarter box
Two-piece set.
Part No. 9915C-78R00-000

17 | Sun shade set
Black, three-piece set for rear windows.
Part No. 990E0-78R20-000

18 | Loading edge protection
Brushed aluminium checkered plate design, made of durable thermoplastic. Protects your bumper from scratches when loading and unloading.
Part No. 990E0-78R52-000

19 | **Cargo partition grid**

Black powder coated steel, for separating the cabin from the boot when rear seats are folded.

Part No. 990E0-78R48-000

20 | **Cargo partition grid (lengthwise)**

For dividing the boot into two sections, steel, only in combination with cargo partition grid.

Part No. 990E0-78R48-000

Part No. 990E0-78R48-001

21 | **Utility colouring hook**

Two-piece set.

Green - **Part No. 99160-78R00-002**

Yellow - **Part No. 99160-78R00-004**

Blue - **Part No. 99160-78R00-003**

Clear - **Part No. 99160-78R00-001**

22 | **Cargo tray, large**

Tray-shaped, waterproof, for folded rear seats. Dimensions: 130.5 x 86.5 x 25.5cm. Requires upper luggage floor board installation.

Part No. 990E0-78R30-001

23 | **Trunk mat tray**

Rubber with checkered plate design and Jimny logo. Requires upper luggage floor board installation.

Part No. 990E0-78R30-002

24 | **Upper luggage floor board**

Applicable for GA model only.

Part No. 75401-77R00-000

25 | **Flexible trunk liner**

Covers boot floor when rear seats are folded and partition grid is installed.

Part No. 990E0-78R48-003

26 | **Cargo tray, small**

Tray-shaped, waterproof.

Dimensions: 94.5 x 24.5 x 14cm.

Part No. 990E0-78R30-000

27 | **Hook luggage floor**

Maximum load: 5.0kg. Four-piece set.

Part No. 9915F-78R00-000

28 | **Camera assy back**

For SLDA only.

SUZUKI COMPLETE

Suzuki understands that purchasing a new vehicle is a substantial investment. Our unwavering commitment to customer satisfaction is represented in our ‘Suzuki Complete’ package, which includes every aspect of after-sales support, with warranty, service plan, and roadside assistance standard.

Warranty

All Suzuki models are covered by a promotional comprehensive manufacturer’s warranty against any defects for a period of 5-year/200 000km. This is supported by a six-year body corrosion warranty subject to terms and conditions. The comprehensive manufacturer’s warranty is strictly reserved to new passenger cars purchased at Suzuki dealerships nationwide.

Service Plan

The Suzuki Jimny benefits from a 4-year/60 000km service plan on the GLX. This plan includes the replacement of oil, the oil filter, fuel filter, brake fluid, air filter and accessory belts, but excludes tyres, brakes and other wear-and-tear items.

Service Intervals

15 000km or one year, whichever comes first.

Roadside Assistance

Every new Jimny comes with a roadside assistance plan. Some of the benefits offered by this comprehensive package include: battery and locksmith call-out services, mechanical and electrical, breakdown towing (accident towing is optional), emergency medical rescue, vehicle repatriation and a stand-by-you roadside security armed-response service.

All care is taken to ensure the accuracy of this brochure at the time of print approval. Specifications, features, prices and model availability may vary from those specified and may change without notice. Always consult your authorised Suzuki Dealer or refer to www.SuzukiAuto.co.za for the latest details on all models. SUZUKI AUTO South Africa (PTY) Ltd will not be held liable for any loss as a result of reliance on the content of this brochure, whether in negligence or otherwise. Vehicles are shown for illustrative purposes only and may not depict exact specifications. Published April 2023.
